

The Friends of the Plainville Public Library

The Friends are library card-carrying, curious people, lifelong learners, readers, writers, thinkers and browsers. We are a non-profit group who encourage community participation in planning and funding of special events. We have several fundraisers a year, including our Book Sale in October to fund our activities. We fund programs for adults and children, donate equipment, and purchase magazine subscriptions and museum passes. To join us please fill out the information below. Thank you.
