

# 7th Grade Summer Reading

June 1, 2023

Dear Students and Families,

Welcome to **King Philip Middle School**! We hope you enjoy many splendid, relaxing days over the summer. As you start preparing for middle school, we hope that you can carve out a little time to bring a thrilling adventure, a ghostly tale, or an inspiring story into your day.

Our guidelines for summer reading are simple: **READ** what interests you, **READ** as often as you can, and **READ** because it is good for you!

You will need to read **one book** and **complete the graphic organizer on slide 2 (slide 3 may be printed if you would prefer to complete this on paper)**. **Bring this to class in September** in order to complete a project in the fall. However, don't let that stop you from exploring more than one book this SUMMER!

Here are some helpful suggestions that may assist you along the way:

- ★ **Set a goal** for yourself: How many books will you read over the summer? How many pages per week?
- ★ **Make the time** to read: Read at least 1-2 hours per week in order to practice your reading comprehension and vocabulary.
- ★ **Select books** that are interesting and challenge you: Don't limit yourself to one genre, explore other options.
- ★ **Organize a book club**: Use Zoom to chat with your peers and talk about your books.

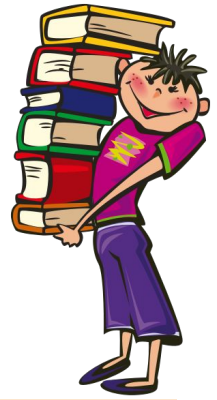

We look forward to meeting you and hearing about your summer books in the fall.
